## NSIC - D\&B - SMERA Rating Report

* This rating is a one-time exercise and does not envisage automatic surveillance. This rating is valid for a period of one year; subject to however, no significant changes / events occur during that period which could materially affect the business and financials parameters of the organization / project. SMERA recommends that the user of the rating may seek a review of the rating, if the rated entity experiences significant changes / events in the business. Recommended for review in next financial year.
